Sir,

In forwarding herewith copies of letter No. 1068 dated 15th November 1917 and of its enclosure, received from the Commissioner of Coorg in the matter of executing a decree in Original Case No. 21 of 1916 on the file of the Subordinate Judge of Coorg, I have the honor to state that under Section 43 of the Civil Procedure Code "a decree of any Civil or Revenue Court in British India which cannot be executed within the jurisdiction of the court by which it was passed, may be executed in manner herein provided within the jurisdiction of any Civil Court or of any revenue court specially directed by Government in this behalf in Mysore". I am unable to find out what Civil and Revenue Courts in Mysore are specially directed by Government to execute decrees of foreign Courts. I have, therefore, the honor to solicit the instructions of Government in the matter of executing the decree in the present case.

I have the honor to be,
Sir,

In forwarding herewith a copy of the decree in original Case No.21 of 1916 on the file of the Court of the Subordinate Judge of Coorg, I have the honor to request that you will be so good as to cause the sum of Rs.835/- to be recovered and forwarded to this office from the plaintiff who is reported to be residing in Soppina Kologe, Hale Agrahar street, Mysore Taluk.

IN THE COURT OF THE SUBORDINATE JUDGE OF COORG.

Original Case No. 21 of 1916.

Plaintiffs:- Vs. Defendant:-

1. Aksale Dasappa
2. " Mallappa
3. " Puttasamy

minors by next friend and maternal uncle Shivanarijappa Mahadevapet, Mercara.

Nagappachari, Aksale Mahadevapet, Mercara.

Claim for half share of the estimated Rs.44,902 worth of properties in the possession of the defendant.

On the passing of judgment in this suit in the presence of Mr. H. Tirumalachar, B.A., B.L., first grade pleader for the plaintiffs and Mr. M. Bhujanga Rao, B.A., B.L., 1st grade pleader for the defendant.

In accordance with the terms of the award dated 4th September 1917 filed by the arbitrators, it is ordered and decreed as follows:

"The arbitrators have marked the deed of partition dated 30th November 1911 as Ex.X in the case.

From the documentary evidence on the record especially Ex.X,B, II, III & IV, they are satisfied that a partition has already taken place between the defendant's father and the plaintiff's father in 1911 as evidenced by Ex.X.

From the partition deed Ex.X. it is clear that the moveables and the immoveables have been divided, with the exception of the ancestral house, of about three rooms or apartments to the left of the storied house Sy. No. 59 and house Sy. No.376 set apart for the residence of Vencatama, widow of deceased Subbayachari, brother of defendant.

These two properties were left intact in the said partition deed. The plaintiffs are however entitled to half of the ancestral house and they could enforce the partition thereof whenever they are desirous of doing so. With regard to the house set apart for the maintenance of Vencatama it will be hers till her death and will then revert to the family of Vencataramachari and Paniapachari and will be divided amongst such of their ---

their ~~xxxxxxxx~~ descendants as might be then alive. They therefore pass no opinion on it now.

The partition in their opinion was not prejudicial. They believe that the minors have been made tools of by their next friend Shivananjappachari who probably intended making some profits for himself.

They therefore decide that the suit be dismissed. With regard to the costs due to Government they feel that the innocent minors should not be made to suffer and they order that the costs of Government be paid by the next friend of the minors".

Given under my hand and the seal of the court this 28th day of September 1917.
